CIRCUIT COURT OF GREENSVILLE COUNTY

March 13, 2020

Dear Distinguished Board Members/County Administrator,

As you all are aware that I took office as Clerk of the Greensville County Circuit Court on December 1, 2019. When I ran for office, I ran on the platform of bringing the Clerk's office up to the 21st century. In taking office I had to immediately start working on my budget without having time to take inventory or assessment of my situation.

In my assessment process I found that there were certain items and things I needed for my office to run effectively and efficiently.

I need to make an amendment to my budget as to item number 5. I will no longer need to purchase two new copiers as I have decided it would be to costly to purchase them. Instead I have currently upgraded the two that I have to make them more user friendly. In doing so my maintenance cost may increase slightly.

In the process of evaluating my office I lost an employee which enabled me to have vacancy savings. I have spoken with the Compensation Board and was told that I could not use the money to purchase furniture that is why I am requesting money for furniture which is located as item number 2 in my budget. I am going to need approximately $2,500 more for an additional desk and chairs. I was told that I could use it in several ways. One was for office supplies and the other was to give my employees a onetime bonus.

Therefore, I am asking if the Board would approve me using some of the money that is in my budget from vacancy savings for bonuses. The reason being is that my employees have been working diligently, staying late some days just to get caught up due to us being a person short and as for my part-time person only working 29 ½ hours.

Thanking you in advance,

Linda B. Edwards

Linda,

Brenda provided me with a copy of your request to the Board of Supervisors.

The Compensation Board will NOT reimburse Greensville County for bonuses to employees. The Compensation Board contacted me last week after your conversation with them. There appeared to be a lot of confusion on the reimbursement process. The Compensation Board will reimburse salaries (permanent & temporary personnel), office supplies and equipment expenses only.

The vacancy savings that you have, due to the dismissal of a full time employee, CAN be used for another employee, once hired. The vacancy savings could also be used for office supplies and equipment expenses. I specifically asked about office furniture and was informed that the funds could NOT be used for furniture. I also asked about copiers. This would probably be an allowable reimbursement, but it is too late in the fiscal year to receive pricing, get approval from the Compensation Board, award a contract and get reimbursement from the Compensation Board.

Some localities will allow the funds that are reimbursed from the Compensation Board to be given back to the constitutional officer to be spent as they want, but Greensville County has never done this. During the budgeting process, the salaries, office supplies and office equipment expenditures are offset by the reimbursement received from the Compensation Board. Any other expenses are approved by the Board during the budgeting process. If and when any additional funds are needed, the request has to be made to the Board of Supervisors.

IF the Board approves the bonuses, the cost will come from the general fund and the compensation board will not reimburse the County for this expense.

I hope that this clears up any confusion.

Alice

Good Morning,

Thank you for your clarification. With the request to give each employee a $2,500 one time bonus, that would equal $10,000.

Thank you.

Gary

Good morning Gary,

Because of the amount of funds in vacancy savings, I am requesting that each employee including myself receive a one time bonus of $2,500.00.

Thank you,

Linda
