

**AGREEMENT IN LIEU OF AN EROSION AND SEDIMENT CONTROL PLAN
FOR SINGLE FAMILY RESIDENCE**

TAX MAP#: _____ Parcel #: _____

In lieu of submission of an Erosion and Sediment Control Plan for the construction of this single family dwelling, I agree to comply with any reasonable requirements determined necessary at the time of construction approval and after inspection by representatives of the Erosion and Sediment Control Program Administrator for Greenville County. Such requirements shall be based on the conservation standards contained in the Greenville County Erosion and Sediment Control Ordinance, and shall represent the minimum practices necessary to provide adequate control of erosion and sedimentation on or resulting from this project.

At a minimum, all denuded areas on the lot shall be stabilized within seven (7) days of final grading with permanent vegetation or a protective ground cover suitable for the time of year.

Additional measures specified by the Plan Approving Authority at time of permit issuance are:

I further understand that failure to comply with such requirements within three (3) working days following notice by the representatives of Greenville County Erosion and Sediment Control Administrator could result in citation for violation of the Greenville County Erosion and Sediment Control Ordinance.

I am aware that an employee of the J. R. Horsley Soil and Water Conservation District is authorized to inspect this project as an agent of the Erosion and Sediment Control Program Administration for Greenville County.

If a problem is found and on site and notice cannot be given, notice shall be sent to:
